## Technical Skills

Eager to start my career as a web developer, having built a coding foundation through academic coursework and self-led projects. Quick learner with problem solving skills to understand and apply new languages, frameworks, and development methodologies. Excellent written and verbal communicator suitable for group work, or individual tasks. Passionate about continuously improving as a developer, learning emerging technologies and delivering quality work on time.

**Fluent and knowledgeable in:**

- Javascript, ExpressJS, React, NodeJS
- HTML
- CSS
- MongoDB, MySQL
- Git
